

Position	Innovation Intern
Employment Type	Unpaid Internship
Location	Sydney, NSW
Start	June 2021
Hours	120 - 160

batyr is a 'for purpose' preventative mental health organisation, created and driven by young people, for young people. We run programs that help smash the stigma surrounding mental health and empower young people to reach out for support. We help create supportive communities.

We are an energetic, fun and dynamic team who are passionate about changing the way we speak about mental health. Excitingly, we are on the hunt to build our team with even more passionate, skilled and driven people to continue to develop our high-performance culture and expand the reach and impact of batyr. If you want a workplace where you can bring all of your full, weird and wonderful self to the office each day, this is the place.

batyr is committed to providing a safe, culturally appropriate, inclusive environment for all people, regardless of their ethnicity, faith, disability, sexuality, or gender identity. We believe that everyone's voice is valid and worthy of being heard and because of this we strongly encourage people from all backgrounds to apply, especially those from minority or marginalised communities.

About You

You are a people person who loves working with a diverse range of perspectives to generate meaningful impact. You're enthusiastic, passionate and always love a challenge. You are the go-to person if anyone needs a problem solved, offering solutions and new perspectives, but always remaining empathetic to others in all situations. You enjoy creative freedom and you're not afraid to be bold and embrace new opportunities. Finally, as with all of our employees, you have an active interest in tackling the stigma in young people around mental health, and are aligned to batyr's five values; empathy, inclusivity, balance, positivity and boldness. So you might be some kind of collaborative, solutions focused, problem solving, empathetic unicorn. Excellent!

Position Summary

The Innovation Intern will be responsible for supporting our Innovation Lead in the implementation of the batyr Innovation strategy across a number of initiatives and engagements.

The role will report directly to the Innovation Lead based in Sydney NSW.

All candidates will need to hold a current Working with Children Check and Police Check, or be willing to obtain these within one (1) month of starting the role.

Key Responsibilities

- Support innovation engagements with teams across the organisation.
- Assist with creation of project materials and resources, including project briefs.
- Support the development of new and existing projects to help batyr foster a culture of innovation.
- Provide ad hoc support for innovation initiatives.
- Contribute positively to the batyr culture and embody our values.

Primary Selection Criteria

- Excellent interpersonal and communication skills with an ability to build strong relationships with a variety of stakeholders.
- Positive and enthusiastic collaborator with a willingness to learn.
- Solutions focussed mindset and a passion for problem solving.
- Strong analytical and critical thinking skills.
- Ability to work autonomously and as part of a team.
- Passionate about the mental health and wellbeing of young people.

Desirable Selection Criteria

- Some understanding of the mental health space, including appropriate use of language.
- Proficiency with Slack, Confluence, Jira, Google Drive, Zapier, Miro, Salesforce and other digital platforms.
- Familiarity with innovation tools, methodologies, processes and frameworks.

How to Apply

Please email your cover letter & CV to careers@batyr.com.au by Friday 14th May 2021, with the job title and where you saw this ad in the subject line.

batyr is a safe and inclusive workplace. Those from minority or marginalised communities are particularly encouraged to apply. This includes, but is definitely not limited to, people with a lived-experience of mental ill health, Aboriginal and Torres Strait Islander people, culturally and linguistically diverse people, LGBTQIA+ people, and people with disabilities.
