

POSITION	Program Booking Coordinator (NSW)
SALARY	\$55,000 - \$65,000 (Inc. Super) pro rata
EMPLOYMENT TYPE	Part Time or Full Time
LOCATION	Sydney
START	January 2019

batyr is a 'for purpose' preventative mental health organisation, created and driven by young people, for young people. We run programs that help smash the stigma surrounding mental health and empower young people to reach out for support. We help create supportive communities.

We are an energetic, fun and dynamic team who are passionate about changing the way we speak about mental health. Excitingly, we are on the hunt to build our team with even more passionate, skilled and driven people to continue to develop our high-performance culture and expand the reach and impact of batyr. If you want a workplace where you can bring all of your full, weird and wonderful self to the office each day, this is the place.

working with us

At batyr, we make sure we have fun while doing important work. We care deeply about those we welcome into our work-family and do our best to support our team. We do this by:

- providing all permanent staff with a wellbeing budget that you can use for the gym, new surfboard, pottery class, ukulele lessons... almost whatever you need to help keep you feeling good
- providing ongoing professional training and wellbeing sessions
- structured internal and external mentoring
- wellbeing leave - your personal leave doesn't just have to be for sick days, at batyr you can also use this leave to support your mental health and wellbeing
- mid-year and end-of-year retreats
- flexible working arrangements

about you

When people ask you what gets you out of bed in the morning the answer is simple. Targets, hitting those sweet sweet KPI's because you are passionate about reaching as many young people as possible. Well that and coffee. You're super happy that your phone bill has unlimited calls because its pretty much glued to your ear constantly. People describe you as having the gift of the gab. You can talk to anyone and convince them of anything! You couldn't just sell water to a fish, you would sell them the whole damn fishtank! You are passionate about building connections with people - kind of like that aunt that everyone has who can make friends everywhere, even that random guy on the train who you were trying to avoid eye contact with but then she talks to him and it turns out that he has tickets to that festival you missed out on and somehow she managed to convince him to not only give you the tickets but get you into the VIP room. Essentially expert level networking skills.

Whilst phone sales is clearly your jam you aren't afraid to get creative. Kinda like Jim Carrey in that movie 'Yes Man' you jump at opportunities wherever you can. You're comfortable to take the common road but are brave enough to take the road less traveled - actually scratch that, your ideas are better than 'less traveled' you aren't afraid to pave your own path, try something and know when to pull the pin if its not paying dividends.
